Detailed Action

Amendment

1. This office action is in response to applicant's amendment dated 11-6-08 and this action is final.

Claim Rejections - 35 USC § 101

2. 35 U.S.C. 101 reads as follows:

Whoever invents or discovers any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement thereof, may obtain a patent therefor, subject to the conditions and requirements of this title.

Claims 1, 3-23, 28-29 and 32 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. Claim 1 is not a patent eligible process/method claim in that it is not tied to another statutory class of invention in that no other statutory class of invention is positively recited in the claim and further the claim does not disclose transforming subject matter to another state or thing.

Response to Arguments

3. Regarding the 35 U.S.C. 101 rejections, applicant has not positively recited another statutory class of invention in that an ultrasound machine is not positively recited. Further, method steps 2 and 3 of claim 1 are not tied to any other statutory class of invention and are

Art Unit: 3643

further not carried out by the implied ultrasound of step 1. Therefore applicant's arguments are not persuasive.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
